Fell in love with the poetic life

A glass of water, a book, a favorite plants,
A life you love, love this poetic life.

If I believe that I could do anything, could I, spread my wings and say goodbye - so many people told me
I couldn't win but look at me now - here I am in heaven's sky and sometimes I say a prayer wishing
that you could be here with me, I believe - I believe in love, it's the best of everything I believe in hope and the
changes it can bring if you believe then nothing can stand in your way just say, I believe
if hope's the house I wanna be living in baby, I've got one foot in the door yes I do - all the years of waiting
for your approval dear well I realized I don't need it anymore 'cause I'm stronger everyday,
now I'm strong enough to say, I believe - I believe in love, it's the best of everything
I believe in hope and the changes it can bring if you believe then nothing can stand in your way I believe
it's a fact of life that we're all in the game but it's still your call but we all play it sometimes we win, sometimes we fall
but that's no reason just to give it up, cause after all if you can't choose what to be
you can choose what to dream and I believe - I believe in love, it's the best of everything
I believe in hope and the changes it can bring, if you believe then nothing can stand in your way
just say, I believe If I believe that I could do anything, could I, spread my wings and say goodbye
so many people told me I couldn't win but look at me now - here I am in heaven's sky and sometimes I say a prayer
wishing that you could be here with me, I believe - I believe in love, it's the best of everything
I believe in hope and the changes it can bring, if you believe then nothing can stand in your way just say, I believe
