A still life photograph of a glass of water, a book, and a plant on a table, serving as a background for the text.

Fell in love with the poetic life

A glass of water, a book, a favorite plants,
A life you love, love this poetic life.

If I believe that I could do anything could I spread my wings and see goodness... so many people told me
I couldn't see but look at me now... here I am in heaven's sky and sometimes I see a person smiling
that you could be here with me... I believe... I believe in love, it's the best of everything I believe in hope and the
changes it can bring if you believe then nothing can stand in your way just say, I believe
if hope's the house I want to be living in baby, I've got one that in the stars you'd be... all the years of waiting
for your approval days will I endure I don't need a promise unless I'm stronger everyday
now I'm strong enough to say... I believe... I believe in love, it's the best of everything
I believe in hope and the changes it can bring if you believe then nothing can stand in your way I believe
it's a fact of life that we're all in the game but it's still your call but we all play it sometimes we win, sometimes we fail
but there are reasons just to give it up, come after all if you can't change what is he
you can choose what to dream and I believe... I believe in love, it's the best of everything
I believe in hope and the changes it can bring... if you believe then nothing can stand in your way
just say, I believe If I believe that I could do anything could I spread my wings and see goodness
so many people told me I couldn't see but look at me now... here I am in heaven's sky and sometimes I see a person
smiling that you could be here with me... I believe... I believe in love, it's the best of everything
I believe in hope and the changes it can bring... if you believe then nothing can stand in your way just say, I believe
