## SWEET ART

### STEP ONE

Combine 1 cup of frozen raspberries, 1/2 cup of water, and 1/2 cup of sugar in a blender. Blend for 30 seconds. Strain the mixture through a fine-mesh sieve into a pitcher. Add 1/2 cup of lemon juice and 1/2 cup of lime juice. Stir well.

### STEP TWO

Remove from the freezer, add 1 cup of strawberry lemonade to the cups. Freeze for another 30 minutes, or until your second layer has set.

### STEP THREE

Top your pops with a layer of pomegranate juice, and give them a final freeze of 30 to 40 minutes.

### STEP FOUR

When all the layers are solid, remove the pops from the freezer. If needed, trim straw length to fit between the cups. Hold each holder in warm water for a few seconds. Push the cups off your frozen treat, and enjoy!
