SWEET ART

STEP ONE

Combine 1 cup of water, 1/2 cup of sugar, and 1/2 cup of strawberry lemonade in a saucepan. Bring to a boil and stir until the sugar has dissolved. Pour the mixture into a shallow pan and freeze for about 15 minutes.

STEP TWO

Remove from the freezer, add 1 cup of strawberry lemonade to the mixture. Freeze for another 15 minutes, or until your second layer has set.

STEP THREE

Top your pops with a layer of pomegranate juice, and give them a final freeze of 30 to 40 minutes.

STEP FOUR

When all the layers are solid, remove the pops from the freezer. If needed, trim straw length to fit between the cups. Hold each stick in warm water for a few seconds. Peel the cups off your frozen treat, and enjoy!
