## — • Descriptions • —

No leakage in  
sealing material

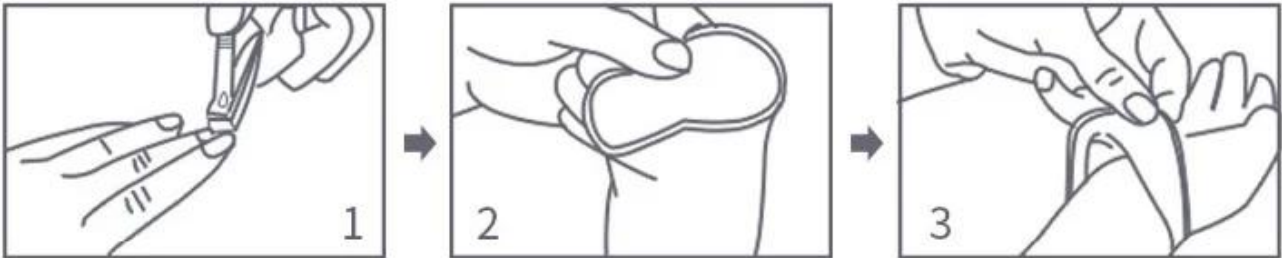

Non-slip and  
easy to grasp

Can be a  
touch screen

## — • Wearing Tips • —

1. Please trim your nails before wearing them. If the nails are too long or sharp, the gloves will be damaged

2. Please wear by the belly part of your fingers to avoid the gloves slipping

3. When taking off gloves, first turn over the gloves at the wrist, and then take off the gloves at the fingers
