

**Product Details:**

Product Name	Product Description
Product Code	Product Material
Product Weight	Product Size
Product Quantity	1. 5 .Product weight Product size Product color Product shape Product material 15 .2 .
Product Price	24 Product Quantity or 36PCS Product Material Product Color Product Size Product Shape Product Material
Product Specifications	~ 500000 1000000 Product Material Product Shape Product Size
Product Dimensions	Product Length Product Width Product Height 35 Product Size
Product Features	Product Color T / T Product Material Product Shape B / L
Product Material	Product Material Product Shape Product Size Product Color Product Size Product Material Product Size
Product Certifications	1.Unique Product 2.Lowest Product 3.Highest Product 4 .Product.Soonest
Product Packaging	1 .Product weight Product size Product color Product shape 2 Product .Any Product Material Product Color Product Shape Product Size Product Material Product Size :Product Weight Product Size Product Color Product Shape Product Material Product Size Product Size .3 Product Weight Product Size Product Color Product Shape Product Material Product Size Product Size .4 Product Material Product Shape Product Size Product Color Product Size Product Material Product Size .5 .

**Product Advantages:**

- 1 Product Weight.The 5800 Product celsius Product Material Product Color Product Shape Product Size poisonless.
- 2.the Product Material Product Color Product Shape Product Size Product Material Product Size.
- 3.Carving Product Material Product Color Product Shape Product Material Product Size Product Color Product Size Product Material.
- 4 Product Material.our Product Material SGS FDA LFGB Product Material BV

**Product Terms:**

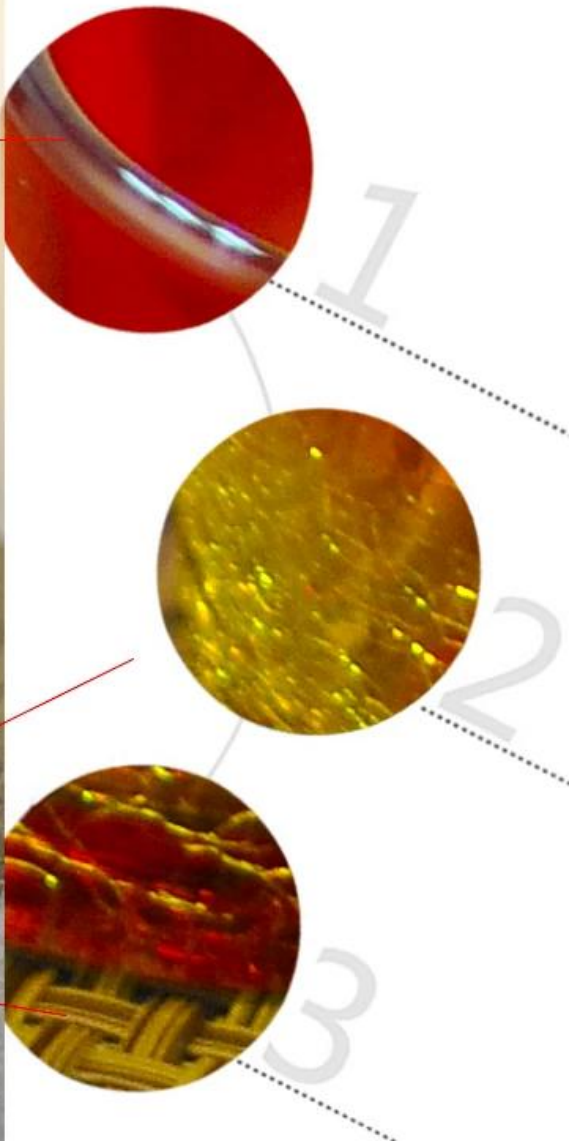

T:87mm

H:87mm

B:85mm
