SWEET ART

STEP ONE

Combine 1/2 cup of strawberry lemonade and 1/2 cup of pomegranate juice in a pitcher. Stir well and pour into a glass.

STEP TWO

Remove the pitcher from the freezer, and add 1 cup of strawberry lemonade to the cup. Freeze for another 20 minutes, or until your second layer has set.

STEP THREE

Top your pops with a layer of pomegranate juice, and give them a final freeze of 20 to 40 minutes.

STEP FOUR

When all the layers are solid, remove the pops from the freezer. If needed, trim straw length to fit. To loosen the pops, hold over hot water for a few seconds. Pull the pops off your frozen treat, and enjoy!
