

Product Details

| | |
|----------------|--|
| Item No. | SGWJ15091507 |
| Brand | SGWJ |
| Material | SGWJ |
| Specifications | 1. 5mm thickness 2. 15mm width |
| Weight | 4mm x 48mm x 1mm |
| Price | 50 x 1,000,000 |
| Lead Time | 35 days |
| Origin | 30mm x T / T x 48mm x B / L |
| Usage | SGWJ is used for various applications in the construction industry. |
| Advantages | <ol style="list-style-type: none"> SGWJ is a high-strength material. SGWJ is easy to install. SGWJ is resistant to corrosion. SGWJ is ASTM certified. |
| Notes | <ol style="list-style-type: none"> SGWJ is a high-strength material. .ANY SGWJ is used for various applications in the construction industry. SGWJ is resistant to corrosion. SGWJ is ASTM certified. SGWJ is used for various applications in the construction industry. |
