Product Details

Product ID	SGKS17102405
Material	Aluminum
Dimensions	Standard dimensions
Specifications	<ol style="list-style-type: none"> Material thickness 5mm Material width 15mm
Weight	4mm x 48mm
Quantity	500,000 to 1,000,000
Lead time	35 days
Surface treatment	Anodizing / T3000 B / L
Standards	ASTM
Quality control	<ol style="list-style-type: none"> Material inspection Production process control ASTM standards
Delivery	<ol style="list-style-type: none"> Material delivery Production and delivery Quality inspection and delivery Material delivery Production and delivery
