

A glass jar with a faceted lid and a cork stopper, sitting on a cork board next to a piece of white paper. The jar is made of clear glass and has a lid with a complex, multi-faceted design. The lid is secured with a small cork stopper. The jar is placed on a square piece of cork board, which is resting on a light-colored surface. To the left of the jar is a piece of white, crumpled paper. The background is a plain, light-colored wall.
