A blue ceramic jar with a lid and a ring handle, decorated with a white dripping paint effect. The jar is cylindrical with a lid that has a small ring handle. The body of the jar is covered in a white, dripping paint-like pattern that creates a textured, layered appearance. The lid is a solid light blue color with a small ring handle on top. The jar is set against a plain white background.

A green, textured glass diffuser with a silver cap and black reed sticks. The diffuser has a cylindrical shape with a faceted, crystalline texture. It is topped with a silver-colored metal cap from which three black reed sticks emerge. The diffuser is set against a plain white background.

A 3D rendering of a dark gray, cylindrical object, likely a pipe or container, centered on a white background. The cylinder has a slightly textured surface and a visible rim at the top. It is set against a white background with rounded corners, which is itself on a light orange surface.
