BergHoff

Hall 3.0 Stand D80

Belgian brand BergHoff will showcase its award-winning lines at the show, including its fan range, which has secured two Red Dot Design awards – for the knives and cast iron collection. In fact, five of its latest collections have secured Red Dot Design awards, including its latest line, Leo.

With Leo, BergHoff brings playful colours, pure shapes and soft touches to the kitchen. Wooden handles versus synthetic ones, soft-touch materials opposed to stainless steel, cork

handles and soft-touch materials are the key to the new design language. The new line has

KitchenAid

Hall 3.1 Stand ESO

KitchenAid, long known for the unmatched durability and iconic design of its countertop mixers, has introduced its most powerful home blend new, professional grade Artisan Power Plus Professional Series stand mixer, offering consumers to the next level.

For the first time since the introduction of the first KitchenAid stand mixer in 1936, a mini version of this iconic culinary workhorse of bakers who have limited space and budget.

Offering the same power and performance as the full-size model, the Mini Mixer is 20 per cent smaller with a 3.3 litre bowl. The mixer accommodates the same attachments available for the larger models, offering bakers more possibilities when preparing to bake.

Originally launched in four colours – Mini Grey and Hot Sauce – KitchenAid is now introducing the Mini Mixer in two new colour introductions in 2017.
