Sunny Brand Story

Founder said

Sunny glassware Founded in 1992 by Frank and Alice, it offers an excellent combination of price, quality and price. The responsiveness of the glassware industry.

Sunshine is engaged in the design and manufacture of glassware, from manual blow molding to mechanical pressing, machine blowing and IS machinery manufacturing. It can customize various deep processing technologies such as color spray, laser printing, decal printing, electroplating. , matte, screen printing, sand blasting and ion plating. **ISO 9001:2008/2015, Corporate Intellectual Property, Green & Social Responsibility Statement Certificate** Issued by a third-party certification company. There are approximately 5,000 molds covering all glassware and ceramics used daily, such as borosilicate glass, bottles, glasses, candlesticks, cans, goblets, cutlery and products that meet FDA, LFGB, CA 65, ASTM, dishwasher test.

Frank once smashed **8,000 pieces products** due to his quality awareness, the strict control system has won the trust of customers. Since then, our export market has rapidly expanded to North & South America, Europe, Oceania and Asia. Some well-known American companies such as NEST Fragrance have a long-term relationship with Sunny.
