

15oz iridescent embossed glass candle vessel with wooden lid fox pattern

Design Concept

A Story of fox was reported by one video website on December 5, 2015

The name of the uncle in the picture as below is Geoff, he rescued the "dog" 7 years ago, he sent the "dog" to the shelter to take care of it. Later, the "dog" grew up, and the containment station discovered that he was actually a fox, but it no longer had the ability to survive in the wild, so it could only continue to take it in.

Seven years later, when Geoff visited the little fox at the containment station, he found that the little fox remembered himself, and the whole scene was out of control..

A world without love is always empty. Let our love condense into exquisite gifts to spread this spirit and fill the world with love.

The coquettish fox is agile, smart, noble and charming.

With the beating candlelight, sweet love comes.
