SWEET ART

STEP ONE

Combine 1/2 cup of strawberries and 1/2 cup of lemonade in a blender. Blend until smooth. Pour into a mold and freeze for 15 minutes. Repeat with the pomegranate juice and freeze for another 15 minutes.

STEP TWO

Remove from the freezer, and add 1 cup of strawberry lemonade to the cups. Freeze for another 15 minutes, or until your second layer has set.

STEP THREE

Top your pops with a layer of pomegranate juice, and give them a final freeze of 10 to 15 minutes.

STEP FOUR

When all the layers are solid, remove the pops from the freezer. If needed, trim straw length to make an easily graspable handle. To loosen the pops, hold over hot water for a few seconds. Pull the pops off your frozen trays, and enjoy!
