Belgian brand BergHoff will showcase its award-winning lines at the show, including its Ron range, which has secured two Red Dot Design awards – for the knives and cast iron collection. In fact, five of its latest collections have secured Red Dot Design awards, including its latest line, Leo, for the pizza prep set and the ravioli set.

With Leo, BergHoff brings playful colours, pure shapes and soft textures to the kitchen. Wooden handles versus synthetic ones, soft-touch materials opposed to stainless steel, cork and bamboo fibres. The company's in-house designer Pieter Roex chose each resource to demonstrate its particular qualities in function and design – “an approach that caught the eye of the Red Dot Design jury who promptly honoured the ravioli stamps and the pizza set with the Red Dot Design award,” says president Raf Vanthoor.

Delighted to be collaborating again with German award-winning designer Ralph Kraemer, BergHoff has recently launched nine new cutlery collections combining classical characteristics with contemporary design features. During the show, Vanthoor says his aim for this year is to “bring a fresh perspective to the kitchen.”

Offering the same power as the classic Mini mixer (2000W) with a 3.3 litre bowl. The mixer is available in a range of colours and finishes. The new attachments available include a pasta roller, a meat grinder, a dough sheeter and a food chopper. Originally launched in 1963, the Mini mixer is still one of the most popular kitchen appliances in the world. The new colour introductions in 2015 include Matte Grey and Hot Sauce Red. www.kitchenaid.com
