1) Can you combine many assorted objects in a container in my first order?

Yes we can. But the amount of each object ordered should reach our MOQ.

2) If any quality problem, how can you fix it for us?

When you download the container, you need to inspect all the load. If breakage or defects have been founded, you need to take the images from the original cardboard. All requests must be submitted within 15 working days after downloading the container. This date is subject to the arrival time of the container.

3) Why do you choose?

1. We have rich experiences in glassware market for more than 20 years And the most professional team.

We have 10 production lines and we can produce 15 million pieces per month, we have strict processes allow us to maintain an acceptance rate of more than 99%.
 We work with more than 1800 customers in about 80 countries.

4. We offer a professional one-stop professional logistics service.

4) Can we get your free samples?

Yes you can. Our **The samples are free** For customers who confirm the order. But transport to Express is at the buyer's account.

5) And your MOQ?

Several kind products will be different MOQs, for some glasses in stock, small orders are acceptable.

6) How many people in your research and development department?

We have 5 professionals designers, and develop 15 monthly innovative projects.

7) Can you give me a discount on the price?

The price depends on your quantity, if you want a good price with a small order, you can make more quantity at once, and leave them in our warehouse, we will keep the products for you until you need.

We look forward to your inquiry and cooperation.
