FAQ

1) Can you combine many items in one container in my first order?

Yes, we can. But the quantity of each ordered item should meet our order.

2) If there are any quality issues, how do you solve them for us?

When emitting containers, you need to inspect all the goods. If any broken or defective product is established, the photo must be taken from the original carton.

All claims must be filed within 15 working days after the discharge of the container. This date requires the container's arrival time.

3) Why choose us?

- 1. We have more than 20 years of experience in glassware trading and are the most professional team.**
- 2. We have 10 production lines that can produce 15 million pieces per month, and we have strict processes that allow us to maintain an acceptance rate of over 99%.**
- 3. We work with over 1,800 clients in approximately 80 countries/regions.**
- 4. We provide professional one-stop global logistics services.**

4) Can we get your free samples?

Yes, you can. Our sample is free and is free for customers who confirm orders. But Express's goods are on the buyer's account.

5) How is your order?

Different types of products will be in different quantities, and for certain stock glassware, small orders are acceptable.

6) How many people are there in your R&D department?

We have 5 professional designers who will develop 15 innovative designs per month.

7) Can you give me a price discount?

The price depends on your quantity, if you want a smaller order price you can earn more quantity at once and leave them in our warehouse and we will keep the goods for you until you need it.
