The thick glass material is smooth to the touch and durable. The cup mouth is smooth and won't hurt your hands. The color-matching pattern is made with eco-friendly ink technology and won't fade easily.

Whether placed in the living room, bedroom or desk area, it can add a touch of retro-modern style to the space.

This large V-shaped [glass candle holder](#) is a perfect blend of retro geometric aesthetics and practical design - on a pure white background, the contrasting color blocks and sharp lines create a rich Mid-Century style, like printing an abstract painting from an art gallery onto a daily-use object. When the candle is lit, the light and shadow will flow along the V-shaped cup, instantly transforming the tabletop into an artistic corner.
