Ready to loading

The characteristics of the blown glass a month

1. Its advantage including sculpture of abundance, techniques, surface effects, color etc.
2. Quality is a difficult check and tolerance of size, weight and shape is greater.
3. The price is high and the product is limited for special technical glass.

Application method

1. Using it under the guidance of the adult
2. Wash it with clean or hot water before use
3. Do not touch the edge of the glass cup, try taking the bottom or the handle of it

Precautions

1. Beer, red wine, white wine, drink or hot water should not be too full
2. To avoid hurting your children's hand, please put them where they can not reach
3. Avoid falls, collision and strong impact
4. Not available for microwave oven
5. To prevent it from breaking, do not put it directly on the fire
