For this item--custom logo unique shot glass cup pub use drinkware glassware small shot glass

This shape is very unique, it is not by machine press--because if made by machine pressed, the top will be wider than the bottom, but this shot glass is different, the top is smaller than bottom, so we just machine blown can do it. So the MOQ is a little higher than machine pressed products, 50k.

We usually put 144pcs into a carton, Fob Shenzhen
